

Introducing Our Spousal Sponsorship Application Review Package

At LooneyTooney.ca, we understand that submitting the spousal sponsorship application for Canadian PR can be both exciting and overwhelming. That's why we are proud to offer our exclusive review package, designed to provide you with the assurance and expertise you need to navigate the process with confidence.

What is the Spousal Sponsorship Review Package?

The package offers an assessment of your Spousal Sponsorship Application by a certified Canadian immigration consultant, also known as an RCIC (Regulated Canadian Immigration Consultant). With years of experience and a deep understanding of the immigration landscape, our RCICs are dedicated to ensuring that your application is meticulously reviewed and optimized for success.

What Does the Package Include?

- Upto three personalized video meetings with a designated RCIC
- Thorough document evaluation and suggestions to improve the application strength. Our focus here will be to ensure that the documents prove the *"genuineness of the relationship"*
- Opportunity to get your questions answered and seek clarification

The package is suitable for applicants who are looking for professional opinion. It is NOT meant to be a step-by-step guide on the application process.

How does the Review Process Work?

First introductory video meeting: This meeting with your assigned consultant is primarily for you and/or your partner to explain the profile and relationship to the consultant. This ensures that the consultant can make suggestions personalized to your situation. You can also clarify your doubts during this interaction.

Document sharing and review: Post the first meeting, the consultant will share a list of documents you may send for review. The documents may include financial statements, proof of relationship, police certificates, and more. Once all the documents are received, the consultant will thoroughly review them.

Second video meeting: In this meeting, the consultant will provide feedback on the documents and make recommendations to strengthen your application.

Third video meeting: If required, the consultant will review the changes made by you and provide feedback on any additional documentation received after the second meeting.

Please note that the RCIC will not ensure the accuracy of your personal details e.g. date of birth and address. It will be assumed that you have entered those correctly.
